

MAKE A DIFFERENCE. CHANGE A LIFE.

Be a Hospice Volunteer

When you are part of the Empyrean Volunteer Team you receive training and support and join a family of clinical team members and other volunteers.

Volunteering takes no advanced medical training, and our flexible schedules and assignments are based on your availability and interests.

- Sit with a patient
- Share a story
- Provide office support
- Run errands
- Share flowers
- Veteran-to-Veteran visits
- Bake or provide home support
- Opportunities are limitless!

Empyrean Hospice volunteers are a very important part of the care we provide. Want to learn more?
